In order to ascertain the assessed average value of farming lands unaffected by railroads, mills and village valuation in the several towns in this county, and produce uniformity in the Assessment Rolls to be returned to the next Board of Supervisors, the assessors of the several towns are requested to observe the following directions:

All lots of ten acres and under, which you assess over \$50 per acre, are to be considered the same as village lots.

Place the valuation less \$50 per acre of all such lots in the column headed "village valuation," rejecting fractions of a dollar; and the whole valuation of said lots in the column headed "Real," the same as with lots of larger size.

Lots containing fractional parts of an acre, return in 1-2, 1-4, 1-8, 1-16, 1-32, and do not use the fractions 1-3, 1-6, 1-7 nor 1-12.

Also give as near as may be, the number of acres occupied by railroads, in your town.

That these instructions may be better understood, the following examples are added: John Jones is assessed for 1-4 of an acre of land, valued at \$600 and \$500 personal property. Abram Pitcairn, 1-2 an acre, valued at \$5,000. Joseph Jacobs, 10 acres, valued at \$560, \$400 personal. They would appear in the assessment roll as follows:

No. of Lot.	Names of Taxable Inhabitants.	No. acres of land taxed.	Value of Land Taxed.		Value of Personal Estate.	Total.	Dog.	Amount of Tax.

CAYUGA COUNTY, ss:

We, the undersigned, do severally depose and swear, that we have set down in the foregoing Assessment Roll, all the real estate situated in the town of *Mont-Cayuga Co N.Y.* according to our best information; and that, with the exception of those cases in which the value of the said real estate has been changed, by reason of proof produced before us, we have estimated the value of the said real estate at the sums which a majority of the assessors have decided to be the full and true value thereof, and at which they would appraise the same in payment of a just debt from a solvent debtor; and also that the said Assessment Roll contains a true statement of the aggregate amount of the taxable personal estate of each and every person named in such roll, over and above the amount of debts due from such persons respectively, and excluding such stocks as are otherwise taxable, and such other property as is exempt by law from taxation, at the full and true value thereof, according to our best judgment and belief.
