according to our best information; and that, with the exception of those cases in which the value of the said real estate has been changed, by reason of proof produced before us, we have estimated the value of the said real estate at the sums which a majority of the assessors have decided to be the full and true value thereof, and at which they would appraise the same in payment of a just debt from a solvent debtor; and also that the said Assessment Roll contains a true statement of the aggregate amount of the taxable personal estate of each and every person named in such roll, over and above the amount of debts due from such persons respectively, and excluding such stocks as are otherwise taxable, and such other property as is exempt by law from taxation, at the full and true value thereof, according to our best judgment and belief.
