1st,—Assessors shall make their assessments between the first days of May and July.

2d,—Shall complete their rolls on or before the first day of August, and shall leave a copy of the same with one of their number for inspection, for twenty days prior to the third Tuesday of August.

3d,—Shall post notices in three or more places where said copy may be seen.

4th,—Shall meet on the third Tuesday of August, to hear grievances at the place designated in the notices.

5th,—Rolls shall be sworn to when completed by the Assessors, before one of the Justices of the Town, and delivered to the Supervisor on or before the first day of September.

In order to ascertain the assessed average value of farming lands unaffected by railroads, mills and village valuation in the several towns in this county, and produce uniformity in the Assessment Rolls to be returned to the next Board of Supervisors, the Assessors of the several towns are requested to observe the following directions:

All lots of ten acres and under, which you assess over \$50 per acre, are to be considered the same as village lots.

Place the valuation, less \$50 per acre, of all such lots in the column headed "village valuation," rejecting fractions of a dollar; and the whole valuation of said lots in the column headed "Real," the same as with lots of larger size.

Lots containing fractional parts of an acre return in 1-2, 1-4, 1-8, 1-16, 1-32, and do not use the fractions 1-3, 1-6, 1-7 nor 1-12.

Also give as near as may be, the number of acres occupied by railroads, in your town. That these instructions may be better understood, the following examples are added: John Jones is assessed for 1-4 of an acre of land valued at \$600, and \$500 personal property. Abram Pitcairn, 1-2 an acre valued at \$5,000. Joseph Jacobs, 10 acres valued at \$500, \$400 personal. They would appear in the Assessment Roll as follows:

STATE OF NEW YORK, } ss.;  
COUNTY OF CAYUGA,

THE PEOPLE OF THE STATE OF NEW YORK:

To..... *Anson H. Emmons*

COLLECTOR OF THE TOWN OF..... *Wheat*....., IN SAID COUNTY, GREETING:

You are hereby required and commanded to collect from the several persons named in the annexed assessment roll, the sums charged thereto, in the appropriate column thereof, being the taxes imposed by law by the said board upon the said persons, respectively, for taxes upon dogs the current year.

And you are hereby authorized to levy upon any personal property which you may find in the possession of any person or persons so assessed, and to sell the same in like manner as in the case of default in the payment of any tax imposed upon real or personal estate. You will deduct from the amount which you shall collect ten per cent. as your compensation or fees for such service; and in case of levy and sale of property for such tax, you will add the same costs thereto which are allowed to constables for similar service.

Any tax which you may return as unpaid for want of goods or chattels upon which seizure or sale thereof could be made, a schedule of such taxes, with the name of the delinquent and the amount of the tax against the said person or persons must be made, to which your affidavit must be attached that you have made diligent efforts to collect the same, and that you have been unable to find any property from which such collection could be enforced.

The omission or refusal to fully discharge any of the duties directed by this warrant will subject you to a penalty of \$10 for every such omission or refusal, to be recovered by the supervisor of your town.

Your will return the moneys so collected (less ten per cent. for collection) to the supervisor of said town, within the time you are required to make other returns thereto.
